Republicans Take House Seats

REPUBLICAN

L. A. (SKIP) BEFALIS
SENATOR
PALM BEACH

By "swamping" his opponent—Democrat Percy Hopkins—by more than a two to one vote, Incumbent State Senator L. A. (Skip) Befalis was re-elected in the newly created Palm Beach, Glades, Hendry and Lee county State Senate District No. 33 in Tuesday's balloting.

Senator Befalis is one of Palm Beach county's outstanding young Republicans and during his service in the legislature as a member of the House and as a Senator has made for himself an enviable reputation of being a GOOD legislator.

During years that the young man senator has been serving—first from Palm Beach county—and now from the newly formed four-county district—Glades folks have learned to know that he has the interest of this area at heart as well as keeping a weather eye on all proposed bills in the state legislature.

The dean of the Palm Beach county delegation is Incumbent State Senator Jerry Thomas who soundly trounced his republican opponent—Clem Guider—by more than 5,000 votes.

ELMER FRIDAY
SENATOR
FORT MYERS

Unknown in Palm Beach county until a few short weeks ago when he chose one of Palm Beach county's outstanding young men as his county campaign manager—State Senator Elmer O. Friday of Fort Myers won a squeaker from Republican Raymond Moudry of Palm Beach. There was a figure of less than 600 votes between the two men.

Senator Friday was extremely wise when he chose former school board member, Jack Homer as his campaign manager. Television channels and newspapers advertising columns were flooded with Friday campaign publicity. Before the election on Tuesday, folks who a month before had never heard of Mr. Friday, were calling him by his first name and pledging to vote for him. He is an unusually capable legislator and Palm Beach county folks should be proud of the fact that he is to be returned to the legislative halls in Tallahassee.

Mr. Gamot has served on the city council in years past and offers his experience as one of the qualifications for the position. George H. Tucker will be a candidate for re-election in the annual election also.

TO PREACH AT CANAL POINT

Rev. Lenford Wilcox of West Palm Beach will fill the pulpit on Sunday, April 2, at the Canal Point Baptist Church.

Produce Buyers Will Visit Glades Area

GAINESVILLE—Produce buyers from all over north America—whose annual purchases in Florida exceed \$100 million annually—will arrive here Sunday (April 2) for a first-hand look at the state's fruit and vegetable industry.

The six-day produce merchandising-buyer's school is being sponsored by the Super Market Institute of Chicago and conducted by the University of Florida's Institute of Food and Agricultural Sciences.

"It will involve more than just learning from printed materials and presentations. Tours of growing areas and packing sheds will bring super market executives up-to-date on packaging, transportation, grading, refrigeration, and other field problems. All operations from production to the consumer will be studied, according to program chairman Dr. Stanley Rosenberger, marketing specialist with the Agricultural Extension Service.

"We'll have a unique opportunity to extend our marketing know-how to key decision-makers in the fresh produce industry outside of Florida," he asserted.

University President Dr. J. Wayne Reitz and Provost for Agriculture Dr. E. T. York, Jr. will be on hand to greet the executives Sunday evening.

Next morning the buyers will face a busy week of classroom sessions intermingled with on-the-scene observations of principal citrus and vegetable growing areas. Florida's changing market structure for fresh produce will be part of the Monday lecture schedule.

Tuesday morning visitors will depart for the Zellwood vegetable section to see harvesting, packing, and precooling operations for radishes, carrots, and greens. That afternoon they'll visit citrus operations in the Ridge section and Indian River areas, Rosenberger said.

More classroom sessions—on refrigeration, storage, and packing—are on tap Wednesday morning in Palm Beach. Later they'll see "vine-riper" tomato harvesting in the Delray Beach area and visit the Pompano State Farmer's Market, he stated.

An all-day work session in the Everglades vegetable producing areas is scheduled for Thursday.

Participants will sit in on more classroom lectures Friday morning. The six-day school ends that afternoon in Miami following a tour of the Dade County tropical fruit and vegetable areas.

5 Members Given Pink Lady Orientation

Vice President Marion Bleech presided at the March meeting of the Woman's Auxiliary of the Everglades Memorial Hospital in the absence of President Marjorie Laks, who was called out of town by the death of a relative.

The meeting was held in the dining room of the hospital Tuesday night, when Mrs. Alice Ramey gave a report on the Pink Lady Orientation Class which she and Mrs. Margaret Fanjul conducted recently at the hospital for five new members: Elinor Brackman, Nancy Rashley, Sarah Thomas, Ann Holt and Shirley Boyette.

The group voted to continue making stuffed animals for the entertainment of children who are patients in the hospital. When a child is dismissed from the hospital, he or she is permitted to take the stuffed animal home as a gift from the Auxiliary.

It was pointed out at the meeting there is still an urgent need for Pink Ladies to serve at the reception desk in the hospital lobby. It was voted that a Pink Lady who looks after the children of another Pink Lady while the latter is on duty in the hospital will receive the same credit of volunteer hours of service as the one who works in the hospital building.

If you are a Pink Lady and know of another who would like to work at the hospital but cannot because of children at home, you can keep her children for her and receive the same number of Auxiliary credit hours she receives while at the hospital.

Becky Mackey Is Honored At Shower

A miscellaneous calling shower was held on Tuesday, March 28, from 7:30 to 9:30 p. m. in the community room of Everglades Federal Savings and Loan for Miss Becky Mackey, the bride-elect of Edward Tuten.

In the receiving line with the honoree were her mother, Mrs. R. B. Mackey, the bridegroom's mother, Mrs. Jack E. Tuten and Mrs. Jack Bush. The honoree's corsage was a white orchid. The mothers wore purple orchid corsages.

Miss Beth Bush presided at the guest book. On the table was an arrangement of pink sweetheart roses.

The refreshments table was laid with a pink linen table cloth. A flower arrangement of pink and white mums entwined with green fern was on one end of the table with white candles in silver candle holders. The cake was white and silver decorated with silver bells. Nuts and mintes were served in silver compotes.

The hostesses for the shower were Mrs. Marion Watkins, Mrs. Lucille Batchelor, Mrs. Marion Dobrow, Mrs. Evangeline Justice, Mrs. Rethelle Dobrow, Mrs. Addie Thompson, Mrs. Peggy Willis and Mrs. Ada Bush, who all wore nose gay corsages. All the flower arrangements for the event were made by Mrs. Lloyd Hundley.

Miss Cyndy Friend Becomes Wife Of Jack Kenneth Schrimsher In Ring Ceremony

MRS JACK KENNETH SCHRIMSHER

Miss Cynthia (Cyndy) Friend, and Jack Kenneth Schrimsher, both of West Palm Beach, were united in marriage in an impressive double-ring, candlelight ceremony held at the First Methodist Church in Pahokee Saturday, March 25, at 2:30 p. m. Officiating at the ceremony was Rev. Charles G. (Chuck) Conner of West Palm Beach, with Rev. John A. Briley, pastor of the church, assisting.

The bride is the daughter of Mr. and Mrs. Lewis Friend, 1350 E. Main Street, Pahokee. She graduated from Pahokee High School with the Class of 1959, and in 1963, received a Bachelor's Degree from Florida State University, Tallahassee, where she was a member of Delta Gamma Sorority and the famous FSU Circus. She is presently employed as counselor with the Palm Beach County Juvenile and Domestic Relations Court.

The bridegroom, son of Mr. and Mrs. Jack Schrimsher, 524 Josephine Avenue, Frederick, Oklahoma, graduated from Frederick High School in 1957, following which he attended Baylor University in Texas. In 1964 he received a Master's Degree in Philosophy of Religion from Southwestern Seminary, Fort Worth, Texas. He is now guidance counselor at Coniston Junior High School in West Palm Beach and is working part time on a master's degree in education at Florida Atlantic University, Boca Raton.

The altar was decorated for the event with floor baskets of white

gladioli and Easter lilies against a bank of palms, and lighted with cathedral tapers in six-branched candelabra. The pews reserved for relatives and special guests were marked with white satin and white nosegays.

The program of music was presented by M. S. Donald Thompson, organist, who played traditional nuptial selections and accompanied Mrs. Hugh Branch, vocalist, who sang "Whither Thou Goest," "Til" and "The Wedding Prayer."

Mrs. Richard (Dick) Korbly, sister of the bride, as matron of honor wore a gown of pelican pink chiffon of cage design with long sleeves and Empire waist accented with a satin bow. Her matching headpiece was designed with contoured veiling and she carried a crescent bouquet of pink phynopsis with ivy.

Miss Merry Ann Friend, another sister of the bride, was maid of honor. Bridesmaids were Miss Faith Sasser of Pahokee, Mrs. Grady Stephens of North Palm Beach, Mrs. Bud Wilson of Pahokee and Miss Brenda Johnson of Atlanta, Georgia. Their gowns were identical to that of the matron of honor and their bouquets were also similar to Miss Korbly's.

Escorted to the altar and given in marriage by her father, the bride was lovely in a gown of ivory tulle with a long train, a sculptured neckline and long sleeves with re-embroidered Alencon lace motifs, and crystal and pearl designs tiered diagonally on skirt

and attached Watteau train. Her doubled bouffant veil of pure silk French illusion fell from a crown of lace and pearls. She carried a cascade bouquet of lilies of the valley, emerald green leaves and seed pearls.

Jack Schrimsher served as his son's best man.

Ushers were Frank Moskowitz of West Palm Beach, Grady Stephens of North Palm Beach, Richard (Dick) Korbly of Pahokee, brother-in-law of the bride; and Joe Picklesimer of Lake Park.

Mrs. Friend chose for her daughter's wedding a pale blue jacket dress of raw silk and lace and a white orchid corsage. Mrs. Schrimsher, mother of the bridegroom, wore a soft gold raw silk jacket dress with matching accessories and a white orchid corsage.

The reception at the home of the bride's parents immediately following the ceremony was under the direction of Mrs. Robert D. Apelgren.

After the reception, Mr. and Mrs. Schrimsher left on a wedding trip to Freeport, Grand Bahama Island. They will be at their home, 836 Almeria Road, West Palm Beach, after April 1.

LUNCHEON GUEST

Mrs. A. H. Scruggs had as her luncheon guest last Tuesday, Mrs. H. T. Lawson of West Palm Beach. Mrs. Lawson was accompanied back to West Palm Beach by her husband's parents, Mr. and Mrs. Roy Lawson of Morven, Georgia.

Party In Honor Of Miss Cyndy Friend

Miss Cyndy Friend, bride-elect of Jack Kenneth Schrimsher, was honored at a patio party held at the home of Mrs. R. R. Long, 206 Begonia Drive, on Saturday, March 18, from 3 to 5 p. m. Guests of honor also were Miss Friend's mother, Mrs. Lewis Friend, and Mrs. Jack Schrimsher, mother of the bridegroom-elect.

Lovely orchid corsages were presented to the honoree and the two mothers by the hostesses, including Mrs. Long, Mrs. L. J. Fraser, Mrs. James H. Wilson, Mrs. W. D. Howard and Mrs. Leon Spooner.

In keeping with the party theme, "Sailing on the Sea of Matrimony," the cold drinks were cooled in crushed ice within a small sail boat. On the boat, which was named "Courtship," were two flags, one bearing the name "Cyndy," and the other "Ken." In the pool at the base of the patio fountain miniature sail boats danced up and down in the rippling water. Displayed on the wall were scrolls and plaques with words of wisdom pertaining to the bride-elect and her husband-to-be.

On the dining room table, laid with white lace cloth, was an arrangement of white mums lighted with white tapers in silver holders. Other decorations featured gorgeous orchids of varied colors and varieties, fresh from Long's Orchid House, which adjoins the patio.

Mrs. L. J. Fraser attended the guest book. A beautiful silver tray was presented to Miss Friend as a gift from the hostesses.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

Colvard Will Hold Revival Old Home Town

Rev. Guthrie Colvard, pastor of the First Baptist Church of Pahokee, will be preaching in revival services at the First Baptist Church of Hudson, North Carolina from April 2 through April 9.

This is the church where Mr. and Mrs. Colvard were baptized and where they were married.

On his way to North Carolina Mr. Colvard will stop in Jacksonville for a meeting of the State Board of Missions of the Florida Baptist Convention of which he is a member. On Friday, March 31, the Florida Baptist Convention will meet to approve the charter of the new Baptist College in Palm Beach Gardens.

Fla. Baptist Convention To View College Plan

PALM BEACH GARDENS, Fla. The articles of incorporation for Florida's newest college—Florida Baptist College—will be presented for approval to the Florida Baptist Convention holding its first special session in 10 years in Jacksonville March 31.

The special session for the 600,000 member Florida Baptist Convention has been called by President Edgar Cooper of Orlando, to ratify the charter and by-laws of the college. The convention meets every November. The special session, first since the convention approved a charter for Baptist Bible Institute, will be held at the First Baptist Church in Jacksonville at 9:30 a. m.

The college will be built on a 200-acre campus next to the Palm Beach Gardens interchange of the Sunshine State Parkway given by Palm Beach Gardens founder and developer, John D. MacArthur.

The Trustees were elected in November, 1966 and they held their first meeting in December.

Dr. Jess Moody, chairman of the Board of Trustees, said, "I am confident that the messengers to the convention will approve the charter." "After approval," Dr. Moody said, "our attorney will file the incorporation papers with the Secretary of State of Florida to incorporate the college."

The charter establishes the name of the college as Florida Baptist College, outlines the objectives and states the duties of Board of Trustees committees.

These committees were set up at a trustee meeting in January and are already functioning. Dr. Moody said that the Administrative and Personnel Committee is working on the selection of a president. The Building and Grounds Committee is seeking an architect and the Development Committee is mapping plans for a statewide campaign for \$1,000,000.

Other committees include the Executive Committee, Finance Committee, Spiritual Life, Committee and Curriculum and Accreditation Committee.

The charter provides for a Board of Counselors which will assist the college "in interpreting its mission and needs to the public, and to interpret to the college the public reaction to its program and policies."

The document sets forth the purpose of the college stating that it will provide a "quality program of higher education in conformity with generally accepted educational standards and in a distinctly Christian environment as a co-

Wheel Farm Tractors Use Increases

GAINESVILLE, FLA. — Florida's 1966 percentage increase over 1965 figures for the sale of wheel farm tractors surpassed the national percentage increase in sales for the same period, a University of Florida agricultural engineer reports.

1966 Florida sales of wheel tractors increased 15 per cent over the 1965 sales, going from a total of 3,750 tractors in 1965 to 4,330 in 1966.

During 1966 wheel farm tractors sales in the U. S. increased 13 per cent over 1965, Dalton S. Harrison, Agricultural Extension Service, University of Florida, said.

Tractor horsepower is still climbing. In 1960 only 38% of the tractors were in the 35-49 drawbar horsepower range, while only 2-4% were above 80 h. p. Just 6 years later over 27% are in the 80 and over h. p. range.

The trend shows that the grower is buying horsepower. "During the last six years horsepower of tractors has increased from 45% to 59% in the over-50 horsepower class," Harrison said.

In many cases, he said, the extra horsepower is not needed during normal routine farm operations.

Mr. and Mrs. Frank Sganga and family of New Smyrna Beach were the weekend guests of her parents Mr. and Mrs. Frank O'Connell, in Canal Point.

educational Baptist College."

"The Florida Baptist College shall be an institution dedicated to the service of qualified men and women of any race or creed . . ."

The charter calls for a "faculty and staff who give evidence of a genuine Christian faith and professional competence."

The chief officers of the corporation are the Chairman (Dr. Jess Moody), Vice Chairman (Dr. Edgar Cooper, Orlando), Secretary (the Rev. J. C. Walters, Jr., Lake Worth), and Assistant Secretary (Mrs. James Nemes, Palm Beach).

The charter was drafted by a committee of trustees after studying the charters of many other Baptist and private colleges. The committee, headed by Dr. Donald E. Warren of West Palm Beach, will present the charter at the convention. Members of the committee were: Rev. Walters, the Rev. Hankins Parker of Miami Springs, Dr. Moody. Also assisting in the preparation was Richard M. Gruenwald, public relations director of the college.

Dr. Cooper, who will preside over the special session, as president of the convention, made the original motion at the convention in 1962 which launched the college. At that time Dr. Cooper moved that the convention president appoint a committee to investigate the possibilities of establishing a junior college.

After the college was approved, Palm Beach Gardens was selected as the site and the Palm-Lake Baptist Association, composed of 31 churches in Palm Beach County, launched a campaign for \$1,500,000.

The Association formed a College Committee with Dr. Moody as chairman. The campaign was directed by O. (Bud) Dickinson, state comptroller, as chairman and Dr. Donald Warren, as executive vice chairman. The campaign, now at the \$780,000 mark, will be continued along with the state campaign for \$1,000,000.

The \$2,500,000 in both campaigns will be used for the initial buildings on the campus.

Farm Bureau Wants Ag. Budget Cuts Restored

Florida Farm Bureau Federation leaders have issued a plea to the 64 county affiliate organizations to "quickly and strongly" join the fight to restore cuts in the University of Florida agricultural budget.

In a letter to presidents of each county Farm Bureau, T. K. McCrane, FFBF's executive vice president, urged the leaders to, "write, call or visit personally," each and every new and old legislator with this situation immediately," the situation is.

"Unless something is done about this situation immediately," he said, "many vital programs will have to be cut back."

"Farm Bureau members have helped make agriculture the state number one industry and they should not and will not stand idly by and allow these cuts to be made without a fight," McClane said.

Florida agriculture isn't looking for a handout," he said. "All it wants is a fair share and anyone who sees what the Budget Commission has done must readily admit that a serious error has been made."

"The threat to Apopka's new foliage research unit and the Swine research unit in Marianna are but two vital programs that will be affected if the cuts are not restored," McClane told the presidents.

"Throughout Florida the research and development of the state's number one cash industry faces certain disaster if Farm Bureau and other interested organizations do not join in this battle," he said.

"To much is at stake and Florida agriculture is too important to each and every citizen of the state for any of us to remain silent," McClane said.

4.15% when held to maturity

*Higher interest on the
Bonds you already own, too!*

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that motivated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."
